

Diploma course selection 2022 - 2024

An **inspired** school

The diploma timetable at SIS is organised in six blocks. You must choose **only one course per block**.

HL stands for Higher Level, SL stands for Standard Level.

Please refer to the [subject briefs](#) available on the IB website for detailed information about each course.

Make one choice in each block.

- For the IB diploma, choose **3 HL subjects** and **3 SL subjects**, including at least 1 Language A course.

- For the American-style High School Diploma, choose **6 subjects (up to 3 HL)** including at least 1 Language A course.

Recommendations:

For HL subjects, a MYP grade 6 (or equivalent) and an exam criterion level of 7-8 is recommended.

For SL subjects, a MYP grade 5 (or equivalent) and an exam criterion level of 5-6 is recommended.

Block 1 English language	Block 2 Other language course	Block 3 Individuals & Societies
English A Literature HL English A Language & Literature HL English B Language acquisition HL English A Literature SL English A Language & Literature SL English B Language acquisition SL	Russian A Literature HL Spanish A Language & Literature HL Spanish B Language acquisition HL German B HL <i>(subject to demand)</i> Russian A Literature SL Spanish ab initio Lang acquisition SL Spanish B Language acquisition SL Spanish A Language & Literature SL German B SL <i>(subject to demand)</i> Self-taught language A Literature SL <i>(requires employing a tutor at own expense)</i> Pamoja online course **	Business Management HL Economics HL Geography HL History HL Psychology HL Business Management SL Economics SL Geography SL History SL Psychology SL

Biology HL Physics HL Sports, exercise and health science HL <i>(subject to demand)</i> Environmental systems and societies SL Biology SL Physics SL Sports, exercise and health science SL <i>(subject to demand)</i>	Mathematics: analysis & approaches HL Mathematics: applications & interpretations HL Mathematics: analysis & approaches SL Mathematics: applications & interpretations SL	Theatre HL Music HL * Visual Arts HL Film HL French B HL Chemistry HL Computer science HL Business Management HL Theatre SL Music SL * Visual Arts SL Film SL French B SL Chemistry SL Computer science SL Business Management SL Pamoja online course **

- Please note that course availability in each block is subject to change, depending on supply and demand.

- If you are not able to choose a course because it is in the same block as another course of your choice or if you would like to study a course not listed above, please explain your situation and we will review your request.

* The Music course involves a blended learning approach (classroom-based activities with the teacher present; online learning materials; independent study using materials provided by the teacher)

** Pamoja online courses are offered as an optional choice. This is subject to agreement and incurs an additional fee. The available courses are: Economics HL/SL, Business & Management HL/SL, Psychology HL/SL, ITGS HL/SL, Philosophy SL, Film SL, Spanish SL/ab initio, French ab initio, Mandarin ab initio. For further information, refer to <http://www.pamojaeducation.com/IB-online-courses/>.
