

An **inspired** school

ACTIVITIES
PROGRAMME

ACTIVITIES PROGRAMME

SIS Staff and club providers have yet again put together an amazing out of school hours programme to provide opportunities for all students to follow their passion and develop their potential; to learn new skills and meet new friends. In order to ensure your child gets the best out of the programme, please read the following helpful information.

Enrolling your child into the SIS Activities Programme:

- Please contact the 'Lead Person' via email, as identified next to your chosen activity. They will be able to let you know all the club details, including term starting dates; if places are available; any costs or if any equipment is needed. They will be your point of contact should your child not be able to attend a session, or if you have any further queries.
- Please ensure the Lead Person has replied to your message and confirmed the student's place in the activity before they attend.
- The enrolment form provided by the teacher of the selected activity must be handed in before the start of the activity.

Primary Parents:

Students from EC1 to P6.

Once their school day is over, they will remain in a classroom/ cantina until the person in charge of the activity picks them up to take them to the class or facility where the activity is being held.

Once the activity is over, the activity teacher will take them to the main gate and wait for them to be collected by their parents/guardians.

Students cannot stay in school if they are not attending an activity. For example, In case their activity starts at 5:00 pm they must leave the school at 4:00 pm and come back at 5:00 pm.

All parents:

- Please ensure that your contact details are updated regularly and the mobile phone number, held by the Lead Person, is one that is available during the classes.
- Unless pre-agreed with the Coordinator of the Activities, the school does not provide transport to off-site activities.
- Please arrive promptly to collect your child after their activity.

Should an emergency arise and you are unable to collect your child promptly, please contact **SIS Reception on tel: 956 795 902**

Thank you for your cooperation.

We hope that you enjoy the activities on offer!

Best wishes,

Extra Curricular Activities Coordinator- extracurricularactivities@sis.gl

PROGRAMA DE ACTIVIDADES

El personal de SIS y los proveedores de clubes han organizado una vez más un asombroso programa fuera de horario escolar para ofrecer oportunidades a todos los alumnos de seguir su pasión y desarrollar su potencial; para aprender nuevas habilidades y conocer nuevos amigos. Para asegurar que su hijo obtenga lo mejor del programa, lea la siguiente información muy útil.

Inscribir a su hijo en el Programa de Actividades del SIS:

- Por favor, póngase en contacto con el líder de la actividad a través de email, tal como encontrará junto a la actividad elegida. Ellos le harán saber todos los detalles del club, incluyendo: las fechas de inicio y finalización, si hay plazas disponibles, el coste o si necesita algún equipo. Ellos serán el punto de contacto si su hijo no puede asistir a una sesión, o si tiene más preguntas.
- Por favor, asegúrese de que el líder de la actividad le responda a su mensaje y confirme plaza para el alumno en la actividad antes de asistir.
- El formulario de inscripción facilitado por el profesor de la actividad seleccionada debe ser obligatoriamente entregado antes de comenzar la misma.

Padres de primaria:

1. Alumnos de EC1 a P6

Una vez finalizada su jornada escolar, permanecerán en su aula/ cantina hasta que el responsable de la actividad los recoja para llevarlos a la clase o instalación donde se imparta la actividad.

Una vez la actividad termine, el profesor será el encargado de llevarlos a la puerta de entrada y esperar que sean recogidos por los padres/tutores.

Los estudiantes no pueden permanecer en la escuela si no asisten a una actividad. Por ejemplo, en caso de que su actividad comience a las 5:00 pm deben salir de la escuela a las 4:00 pm y volver a las 5:00 pm.

Todos los padres:

- Por favor, asegúrese que los datos de contacto se actualizan regularmente y el número de teléfono móvil, en poder del responsable principal, es el disponible durante las clases.
- A menos que previamente se acuerde con el coordinador de actividades, el colegio no proporciona transporte a actividades fuera del mismo.
- Por favor llegue puntual para recoger a su hijo después de la actividad.

En caso de que surja una emergencia y no pueda recoger a su hijo puntualmente, póngase en contacto con la **recepción del SIS al teléfono: 956 795 902**

Gracias por su cooperación.

¡Esperamos que disfrute de las actividades que ofrecemos!

Saludos cordiales,

El equipo coordinador de actividades extra curriculares extracurricularactivities@sis.gi
